## WELCOME NOTE

### 2nd Penang International Multidisciplinary Conference 2021 (2nd PIMC 2021)

Bismillahirrahmanirahim.

Assalamualaikum warahmatullahi wabarakatuh and Salam Sejahtera.

On behalf of GAE, it is my great pleasure to welcome all the delegates to 2nd Penang International Multidisciplinary Conference 2021 (2nd PIMC 2021).

The conference supposedly will be held at Penang, however due to Covid-19 pandemic, we have changed the way we work, learn and interact according to new social norms which has led to more virtual engagements both professionally and personally. Now you can present your paper from the comfort of your home. Just send us your 10-15 minutes pre-recorded video presentation and slide. The video will be posted in GAE YouTube channel and Facebook page on the conference day. It saves time, money and more importantly, we stay safe. It's the New Normal!

My profound thanks go to the whole team for the impressive work they have done. Nothing would be possible without the excellent work of a very hard-working team, particularly Mrs Norhaslinda, Ms Zafira and Ms Atikah, whose have put together and engaging programme. Additionally, I would like to warmly thank all the authors who, with their presentations, generously contributed to the lively exchange of knowledge and information that is so vital to the endurance of virtual Conference of this kind.

Thank you and my best wishes to all.

## Keynote Speaker

Greetings!

On behalf of the organiser, it is my great pleasure to welcome all the participants to 2nd Penang International Multidisciplinary Conference (PIMC), Penang, 23-24 January 2021. The conference is a channel to deliver and discuss various contemporary academic issues and also to share knowledge of solution. I wish you all a successful conference.

Currently, the world is under the Covid-19 pandemic. The number of deaths across the world increased to millions. The severity of the crisis is driven by its highly contagious, that is, one patient can infect many people. The syndromes of COVID-19 include cold, fever, dry cough, myalgia, fatigue, pneumonia, anorexia, diarrhoea, arrhythmia and septic shock, which are mostly flu-like symptoms, primarily caused by weather and environment-related factors. To contain the spread of the disease, governments across the world are taking measures such as regulating people's mobility, downsizing or stopping international travel, lockdowns and so forth. Such measures have restricted economic activities and changed the norm of life.

Now, the online conference becomes the norm and conventional conference. You can prepare and present paper from a safe and comfortable venue. The presentation is done by sending a video presentation and slide. The video will be posted in websites. It is very efficient and more importantly, it is safe, avoiding travel, which can be a very high risk of COVID-19.

Dear participants, this conference provides a significant channel for delivering and exchange of scholarly ideas. I congratulate you for your commitment and participation and wish you all the success.

On behalf of the organiser, I would like to thank all the authors who, with their presentations, generously contributed to the lively exchange of knowledge and information that is so vital to the conference.

I would like to congratulate Global Academic Excellence (M) Sdn Bhd for organizing such a good conference. I would like to express my deep appreciation to the organiser for giving me an opportunity to present my keynote speak.

Thank you for your attention and sincerely my best wishes to all of you. I aspire the conference great success.

Yours Sincerely,

Wong Hock Tsen
