WELCOME NOTE

6th International Conference on Education, Business, Islamic and Technology 2021 (6th ICEBIT 2021)

Bismillahirrahmanirahim.

Assalamualaikum warahmatullahi wabarakatuh and Salam Sejahtera.

On behalf of GAE, it is my great pleasure to welcome all the delegates to 6th International Conference on Education, Business, Islamic and Technology 2021 (6th ICEBIT 2021).

The conference supposedly will be held at Ipoh, Perak, however due to Covid-19 pandemic, we have changed the way we work, learn and interact according to new social norms which has led to more virtual engagements both professionally and personally. Now you can present your paper from the comfort of your home. Just send us your 10-15 minutes pre-recorded video presentation and slide. The video will be posted in GAE YouTube channel and Facebook page on the conference day. It saves time, money and more importantly, we stay safe. It's the New Normal!

My profound thanks go to the whole team for the impressive work they have done. Nothing would be possible without the excellent work of a very hard-working team, particularly Mrs Norhaslinda, Ms Zafira and Ms Atikah, whose have put together and engaging programme. Additionally, I would like to warmly thank all the authors who, with their presentations, generously contributed to the lively exchange of knowledge and information that is so vital to the endurance of virtual Conference of this kind.

Thank you and my best wishes to all.

Keynote Speaker

Dear colleagues and friends,

Allow me to warmly thank the organizers of this important international conference for giving me the privilege of welcoming and addressing you all. For me it is an honour and a pleasure. I would also like to thank them for having brought us together into this wonderful conference to be able to discuss the main current challenges which are education, business, Islamic issues and technology in the era of pandemic. Under the current scenario, I feel that the university lecturers need to rethink their teaching and learning strategies and, also their assessment techniques used during their online teaching.

I will be focusing more on assessment strategies used. As a senior lecturer in measurement and evaluation in education of UPSI, I am very much concerned about the assessment strategies implemented during the covid-19 pandemic. I am sure that the participants will identify subjects of his/her interest and will benefit from many fruitful discussions. I am happy to be present and be able to exchange views.

Congratulations for your commitment. Thank you.
